

RAISING OUR LEVEL OF AWARENESS

Help Us This Lenten Season to Make God's Kingdom Overflow with Justice.

- Look for the Social Justice Display in church. Choose a card and commit to the action listed. Carry the stone with you throughout the week or month as a reminder.
- Return the stone.
- Place it in the provided vase, thus raising both the water level and the level of our awareness.
- Choose a new card, if you desire.
