Home School for Grades K-1:

The Gospel Weeklies program is a fun, easy and convenient way for parents to share their faith with children. Each week has a colorful 4-page flyer that focuses on that week's gospel and includes fun activities. It's a great way to prepare your child for Sunday mass. Parents pick up materials on a quarterly basis. This program is encouraged for children entering sacramental preparation for First Reconciliation and First Eucharist in 2nd grade. Registration and a \$95 fee required. **Receive a \$20 discount if you register & pay by September 30th.**

Sunday Morning for Kids!

Start Date: September 12, 2010 during 10:30 Mass

These programs meet from September through May. Suggested ages are listed below, however, it is up to the parent's discretion to place children in the appropriate program suited for their development.

- **Children's Liturgy:**

This program is for **ages 6-10**. Children are called forward during the 10:30 Mass. There is a procession to their gathering space that is located across the hallway in classroom #2. A leader guides the children through readings, a homily, the creed and prayers of the faithful. They return to mass at the Offertory by bringing the gifts to the altar. Just come to the 10:30 Mass and children will be called forward. Parents are welcome to accompany their child and participate in the Children's Liturgy. No registration or fee required.

- **Sunday School:**

This program is for **4-5 year olds** and takes place in Classroom #3 on the first floor during the 10:30 Mass. We will be implementing the new Gospel Weeklies curriculum, a lectionary-based series that connects kids with the Gospel and encourages them to experience God's Word in unforgettable ways. Registration takes place on September 18-19; 25-26. There is a \$25 fee to cover the cost of the program and materials.

- **10:30 Nursery:**

The parent-supervised nursery is located in the lower level Trinity Room, which is a safe and comfortable place for children **ages 3 and under** to meet new friends and enjoy playtime. Parents sign their children in and out when they bring them. There is no registration or fee for this service.

- **Toddler Room:**

Parents, please check out our recently renovated toddler room in the balcony. It is the small room located on the second floor just inside the loft door. It has been painted and re-carpeted. More play space has been added and the box of children's books and toys can be found in the corner, or you may bring your own.

The toddler room is open during all Masses. There are pews for parents and older children and play space for the little ones. A gate keeps the children from wandering outside the room. Large glass windows provide a view of the sanctuary. Please remember to help your children tidy up the room before leaving. There is no registration or fee for using this service.
